

Parking and Venue Access Information

Plan to arrive at the start/finish line at Forrest Wines at least fifteen minutes prior to your briefing time. It will take time to park over 1500 vehicles and you need to be in position and ready to ride before your briefing. Please consider where you will park in relation to which direction you will be coming from. If travelling from Blenheim it will take you at least 45 minutes from the time you leave your accommodation to being at the start line. If travelling from Picton it will take you just over an hour.

If you are coming from Blenheim down Old Renwick Road then you should consider turning right into Pak Lims Road and then left into Foxes Island Road. This will have you parked in the biggest parking area nearest to Forrest Wines which is right next to SH6. If you are coming from Blenheim down Middle Renwick Road then we suggest you travel into Renwick on High Street and then right into Inkerman Street which will have you in the two Blicks Road carparks.

If you are coming from Picton turn into Rapaura Road at Spring Creek and travel about 8km before turning left into Vintage Lane. Travel along Vintage Lane for just over 1km and turn right into Foxes Island Road to access the parking area which is next to SH6.

If coming from Nelson we encourage you to turn left into Rapaura Road, and then right into Vintage Lane and then right again into Foxes Island Road. This will take you to the largest carparks next to SH6.

For those coming from SH63 (Westcoast Road) make your way into Renwick. You have the choice of accessing Blicks Road from SH 6 or Inkerman Street from High Street.

Magnum riders will be best to use the car parking in Blicks Road.

Access to the venue from the car parks is as follows. If you are parked in Blicks Road make your way to the Forrest Wines entrance which is located about 40 metres from the Blicks Road and SH 6 intersection. Use this service lane to make your way to the start. You may ride your bike in the lane but this is at slow speeds. Please be aware that there may be official vehicles using this lane throughout the day. If you are parked in the SH6 parking area there will be several access points between the rows of grapes that will lead to the venue. Follow the directions of the marshals and event signage.

Under no circumstances are any vehicles other than authorised official or sponsor vehicles allowed to come into the venue.

When leaving after the prize giving, there will be traffic management in place at Conder's Bend Rd / SH6 corner. Please show patience.
